DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 102

Claims 1, 2, 4, 5 and 7-10 are rejected under 35 U.S.C. 102(e) as being anticipate by Lutz et al. The reasoning for the claims being rejected under Lutz et al. is being incorporated herein from the previous Office action on the merits.

Response to Arguments

Applicant's arguments filed 9-29-04 have been fully considered but they are not persuasive. The Examiner respectfully disagrees with Applicant's view that Lutz et al. fails to disclose "wherein the angle of view of the first camera partially overlaps with that of the second camera, and the angle of view of the second camera is related to that of the first camera based on ball images which are simultaneously photographed by the first camera and the second camera." For example, a quick view of the front of the patent to Lutz et al. discloses camera (14a) view (FOV5) overlapping camera (14b) view (FOV6) and when the ball (22) travels path (FP) the ball's image would be simultaneously photographed by camera (14a and 14b) at

some point in time of travel, at least at point A on path (FP) for example.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
